

# Earthworks Recycling

## -Typical Collection Pricing and Terms-

Base pickup price is \$30 for the first combination of (2) items: (1) Rolling Bin, (1) Barrel or (1 sq yard) of Cardboard.

Additional barrels or rolling bins are \$12.50 if mixed recycling items. If separated Office Paper, \$7.50 ea.

Document Destruction Bins are \$40 per bin, per pickup. (65 Gallon)

Scheduled and On Call pickups using our bins, barrels, or cardboard cages are required at least once every 2 months, otherwise you will be subject to an additional \$4 per month rental fee for each onsite bin and/or barrel and \$10 per month rental fee for any onsite cardboard cages.

Scheduled pickups with no materials onsite will result in a minimum \$20 drop-by fee. (To avoid a fee, please call if you are scheduled for a pickup but don't have anything to be picked up.)

The loss of any cages or bins are the customers responsibility if they come up missing. Cages and any wheeled Recycling or Document Destruction Bins are \$75 ea. and Barrels are \$10 ea.

Any trash or contamination in our recycling bins may result in a minimum \$5 disposal/sorting fee per bin.

Due to increased costs and contamination with recycling, we are asking for your help to keep our prices lower. It takes extra time and costs more to sort and dispose of garbage mixed with recyclables.

If not on a scheduled pickup service, please try to give us at least 2-3 days notice for any pickups or deliveries.
